## RIGHT TO REVOKE YOUR SIMPLE IRA

You have the right to revoke your SIMPLE IRA within seven (7) days of the receipt of the disclosure statement. If revoked, you are entitled to a full return of the contribution you made to your SIMPLE IRA. The amount returned to you would not include an adjustment for such items as sales commissions, administrative expenses, or fluctuation in market value. You may make this revocation only by mailing or delivering a written notice to the custodian at the address listed on the application.

If you send your notice by first class mail, your revocation will be deemed mailed as of the postmark date.

If you have any questions about the procedure for revoking your SIMPLE IRA, please call the custodian at the telephone number listed on the application.

## REQUIREMENTS OF A SIMPLE IRA

A. **Cash Contributions** – Your contribution must be in cash, unless it is a rollover contribution.

B. **Maximum Contribution** – The only contributions that may be made to your SIMPLE IRA are employee elective deferrals under a qualified salary reduction agreement, employer contributions, and other contributions allowed by the Code or related regulations, that are made under a SIMPLE IRA plan maintained by your employer. Employee elective deferrals may not exceed the lesser of 100 percent of your compensation for the calendar year or \$16,000 (for 2024) and \$16,500 (for 2025) with possible cost-of-living adjustments each year thereafter. Your employer may make additional contributions to your SIMPLE IRA within the limits prescribed in Internal Revenue Code Section (IRC Sec.) 408(p). Your employer is required to provide you with information that describes the terms of its SIMPLE IRA plan.

If you are employed by an employer with no more than 25 employees who received at least \$5,000 in compensation the preceding year, your annual deferral and catch-up contribution limit is 110 percent of the contribution limit that would otherwise apply in 2024. The increased deferral limit is \$17,600 (for 2024 and 2025) and the increased catch-up contribution limit is \$3,850 (for 2024 and 2025) with possible cost-of-living adjustments each year thereafter.

Employers with 26 to 100 employees who received at least \$5,000 in compensation the preceding year may also elect to apply the increased deferral and catch-up contribution limits. Contact your employer to determine if the increased contribution limit applies to you.

C. **Catch-Up Contributions** – If you are age 50 or older by the close of the taxable year, you may make an additional contribution to your SIMPLE IRA. The maximum additional contribution is \$3,500 (for 2024 and 2025), with possible cost-of-living adjustments each year thereafter. Beginning in 2025 if you attain age 60, 61, 62, or 63 (but do not attain age 64) during the year, your catch-up contribution is the greater of \$5,000 or 150 percent of the 2025 catch-up contribution limit with possible cost-of-living adjustments each year thereafter.

D. **Nonforfeiture** – Your interest in your SIMPLE IRA is nonforfeitable.

E. **Eligible Custodians** – The custodian of your SIMPLE IRA must be a bank, savings and loan association, credit union, or a person or entity approved by the Secretary of the Treasury.

F. **Commingling Assets** – The assets of your SIMPLE IRA cannot be commingled with other property except in a common trust fund or common investment fund.

G. **Life Insurance** – No portion of your SIMPLE IRA may be invested in life insurance contracts.

H. **Collectibles** – You may not invest the assets of your SIMPLE IRA in collectibles (within the meaning of IRC Sec. 408(m)). A collectible is defined as any work of art, rug or antique, metal or gem, stamp or coin, alcoholic beverage, or other tangible personal property specified by the Internal Revenue Service (IRS). However, specially minted United States gold and silver coins, and certain state-issued coins are permissible investments. Platinum coins and certain gold, silver, platinum or palladium bullion (as described in IRC Sec. 408(m)(3)) also are permitted as SIMPLE IRA investments.

I. **Required Minimum Distributions** – You are required to take minimum distributions from your SIMPLE IRA at certain times in accordance with Treasury Regulation 1.408-8. Below is a summary of the SIMPLE IRA distribution rules.

1. **Applicable Age for RMDs** – You are required to take a minimum distribution from your SIMPLE IRA for the year in which you reach the applicable age for RMDs and for each year thereafter. The applicable age for RMDs is age 70½ if you were born before July 1, 1949; age 72 if you were born on or after July 1, 1949, but before January 1, 1951; age 73 if you were born on or after January 1, 1951, but before January 1, 1960; and age 75 if you were born on or after January 1, 1960. You must take your first distribution by your required beginning date, which is April 1 of the year following the year you attain the applicable age.

2. **Calculation** – The minimum distribution for any taxable year is equal to the amount obtained by dividing the account balance at the end of the previous year by the applicable denominator. The applicable denominator generally is determined using the Uniform Lifetime Table provided by the IRS. If your spouse is your sole designated beneficiary for the entire calendar year, and is more than 10 years younger than you, the RMD is determined each year using the actual joint life expectancy of you and your spouse obtained from the Joint Life Expectancy Table provided by the IRS, rather than the life expectancy factor from the Uniform Lifetime Table.

We reserve the right to do any one of the following by your required beginning date.

- (a) Make no distribution until you give us a proper withdrawal request
- (b) Distribute your entire SIMPLE IRA to you in a single sum payment
- (c) Determine your RMD each year based on your life expectancy calculated using the Uniform Lifetime Table, and pay those distributions to you until you direct otherwise

J. **Beneficiary Distributions** – Upon your death, your beneficiaries are required to take distributions according to IRC Sec. 401(a)(9) and Treasury Regulation 1.408-8. These requirements are described below.

1. **Death of SIMPLE IRA Owner Before January 1, 2020** – Your designated beneficiary is determined based on the beneficiaries designated as of the date of your death, who remain your beneficiaries as of September 30 of the year following the year of your death.

If you die on or after your required beginning date, distributions must be made to your beneficiaries over the longer of the single life expectancy of your designated beneficiaries, or your remaining life expectancy. If a beneficiary other than a person or qualified trust as defined in the Treasury Regulations is named, you will be treated as having no designated beneficiary of your SIMPLE IRA for purposes of determining the distribution period. If there is no designated beneficiary of your SIMPLE IRA, distributions will commence using your single life expectancy, reduced by one in each subsequent year.

If you die before your required beginning date, the entire amount remaining in your account will, at the election of your designated beneficiaries, either

- (a) be distributed by December 31 of the year containing the fifth anniversary of your death, or
- (b) be distributed over the remaining life expectancy of your designated beneficiaries.

If your spouse is your sole designated beneficiary, he or she must elect either option (a) or (b) by the earlier of December 31 of the year containing the fifth anniversary of your death, or December 31 of the year life expectancy payments would be required to begin. Your designated beneficiaries, other than a spouse who is the sole designated beneficiary, must elect either option (a) or (b) by December 31 of the year following the year of your death. If no election is made, distribution will be calculated in accordance with option (b). In the case of distributions under option (b), distributions must commence by December 31 of the year following the year of your death. Generally, if your spouse is the designated beneficiary, distributions need not commence until December 31 of the year you would have attained RMD age (as described in the *Required Minimum Distributions* section above), if later. If a beneficiary other than a person or qualified trust as defined in the Treasury Regulations is named, you will be treated as having no designated beneficiary of your SIMPLE IRA for purposes of determining the distribution period. If there is no designated beneficiary of your SIMPLE IRA, the entire SIMPLE IRA must be distributed by December 31 of the year containing the fifth anniversary of your death.

- 2. **Death of SIMPLE IRA Owner On or After January 1, 2020** – Upon your death, your SIMPLE IRA will be paid to your beneficiary. The beneficiary's options for payment will differ depending on whether the beneficiary is an eligible designated beneficiary, a designated beneficiary, or a nonperson beneficiary, and the timing of your death. The options described below assume that separate accounting for the inherited SIMPLE IRA is established by December 31 of the year following the year of your death. If separate accounting is not established by this date, your beneficiaries' options may be further limited, and payments may be accelerated. Beneficiaries should consult with their tax professional or attorney for a determination of their distribution options and payment calculations.

**Designated Beneficiary.** A designated beneficiary is an individual who is a beneficiary specified under the SIMPLE IRA. Certain see-through trusts may also qualify as a designated beneficiary under the SIMPLE IRA for purposes of determining available payment options and distribution calculations. For purposes of determining the RMD due after your death, a designated beneficiary is determined based on the beneficiaries designated as of the date of your death, who remain your beneficiaries as of September 30 of the year following the year of your death.

**Eligible Designated Beneficiary.** An eligible designated beneficiary is any designated beneficiary who, as of the date of your death, is one of the following:

- your surviving spouse,
- your child who has not reached age 21,
- a disabled individual (a physician must determine that the impairment can be expected to result in death or to be of long, continued, and indefinite duration),
- an individual who is not more than 10 years younger than you, or
- a chronically ill individual (the individual must have been certified by a licensed health care practitioner that, as of the date of the certification, the individual is someone who

- 1. is unable to perform (without substantial assistance from another individual) at least two activities of daily living for an indefinite period that is reasonably expected to be lengthy in nature due to a loss of functional capacity,
- 2. has a level of disability similar to the level of disability described above requiring assistance with daily living based on a loss of functional capacity, or
- 3. requires substantial supervision to protect the individual from threats to health and safety due to severe cognitive impairment).

(a) **Death Before Your Required Beginning Date.**

**Designated Beneficiary.** The entire amount remaining in your account will generally be distributed by December 31 of the year containing the tenth anniversary of your death unless you have an eligible designated beneficiary, or you have no designated beneficiary for purposes of determining a distribution period. This 10-year rule is not subject to an annual distribution requirement.

**Eligible Designated Beneficiary.** If your beneficiary is an eligible designated beneficiary, the beneficiary may choose to distribute the entire amount remaining in your account by using either the:

- (i) 10-year rule: This option requires a total distribution of the entire account by December 31 of the year containing the tenth anniversary of your death. No annual payment is required under this option.
- (ii) Life expectancy payment option: Annual payments taken over the remaining life expectancy of the eligible designated beneficiary.

If your spouse is your sole eligible designated beneficiary, he or she must elect either the 10-year rule or life expectancy payments by the earlier of December 31 of the year containing the tenth anniversary of your death, or December 31 of the year you would have attained the applicable age for RMDs. If no election is made, distributions will be made in accordance with the life expectancy payment option. All other eligible designated beneficiaries must elect either the 10-year rule or life expectancy payment option by December 31 of the year following the year of your death. If no election is made by an eligible designated beneficiary, payments will be made using the life expectancy payment option.

A nonspouse eligible designated beneficiary's remaining life expectancy is determined by using the beneficiary's age in the year following the year of your death to determine the factor from the IRS Single Life Expectancy table, reducing it by one in each subsequent year. A spouse beneficiary's remaining life expectancy is determined using the spouse beneficiary's age and the Uniform Lifetime Table each year, as permitted under the Treasury Regulations.

Note that certain trust beneficiaries (e.g., certain trusts for disabled and chronically ill individuals, and certain see-through trusts) may take a distribution of the amount remaining in your account over the remaining life expectancy of the designated beneficiary of the trust. The trustee of the trust is responsible for determining whether the trust is a see-through trust, the trust beneficiary's options, and the minimum payment required for the year. No trust paperwork is required to be provided to the SIMPLE IRA trustee or custodian.

Generally, life expectancy distributions to an eligible designated beneficiary must commence by December 31 of the year following the year of your death. However, if your spouse is the eligible designated beneficiary, distributions need not commence until December 31 of the year you would have attained the applicable age for RMDs (as described in the *Required Minimum Distributions* section above), if later. If your eligible designated beneficiary is your minor child, life expectancy payments must begin by December 31 of the year following the year of your death and continue until the child reaches the age of majority (age 21). Once the age of majority is reached, the beneficiary will have 10 years to deplete the account with annual payments continuing each year.

**No Designated Beneficiary.** If a beneficiary other than a person (e.g., your estate, a charity, or a trust that is not a see-through trust) is named, you will be treated as having no designated beneficiary of your SIMPLE IRA for purposes of determining the distribution period. If you die before your required beginning date and there is no designated beneficiary of your SIMPLE IRA, the entire SIMPLE IRA must be distributed by December 31 of the year containing the fifth anniversary of your death.

**Hypothetical RMD.** If your spouse beneficiary is using the ten-year rule and, before the tenth year, chooses to: 1) treat the SIMPLE IRA as his or her own SIMPLE IRA, 2) roll over the SIMPLE IRA to his or her own SIMPLE IRA, or 3) roll over the SIMPLE IRA to his or her own Traditional IRA or eligible employer-sponsored retirement plan (if two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer), a hypothetical RMD may need to be calculated and distributed. This amount is not eligible to roll over or be treated as the spouse's own SIMPLE IRA or Traditional IRA. If, in the year the spouse is treating the SIMPLE IRA as his or her own SIMPLE IRA or rolling over to his or her own SIMPLE IRA, Traditional IRA, or employer-sponsored retirement plan, the spouse beneficiary will attain the applicable age for RMDs or older, the spouse beneficiary must calculate and distribute a hypothetical RMD amount that would have been required had the life expectancy payment option applied instead of the ten-year option. This RMD amount must be calculated and distributed for each year, beginning with the later of the year the SIMPLE IRA owner or the spouse beneficiary would have attained the applicable age for RMDs and for each year until the year the transaction moving the SIMPLE IRA to the spouse beneficiary's own IRA or plan occurs. The amount is calculated using the spouse beneficiary's life expectancy in those years determined using the Uniform Lifetime Table. For additional information on hypothetical RMD requirements, you may wish to obtain IRS Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*, from the IRS or refer to the IRS website at [www.irs.gov](http://www.irs.gov).

**(b) Death On or After Your Required Beginning Date.**

**Designated Beneficiary.** A portion of your account must continue to be distributed annually to your designated beneficiary. The amount of the distribution must be determined using the longer of your single life expectancy in the year of death, reduced by one each year, or the beneficiary's single life expectancy in the year after the year of your death, reduced by one each year. In addition, the account must be depleted by the earlier of December 31 of the year containing the tenth anniversary of your death or December 31 of the year the single life expectancy factor is equal to, or less than, one.

**Eligible Designated Beneficiary.** If your beneficiary is a nonspouse eligible designated beneficiary, the beneficiary may continue to distribute the amount remaining in your account over the longer of your single life expectancy in the year of death, reduced by one each year, or the beneficiary's single life expectancy in the year after the year of your death, reduced by one each year. Spouse beneficiaries may use the longer of your single life expectancy in the year of death, reduced by one each year, or the spouse beneficiary's life expectancy each year determined by using the Uniform Lifetime Table, as permitted under the Treasury Regulations. A minor child who is your beneficiary must continue the payments annually based upon the beneficiary's single life expectancy in the year after death, reduced by one, and must deplete the account by December 31 of the year the beneficiary attains age 31.

Note that certain trust beneficiaries (e.g., certain trusts for disabled and chronically ill individuals, and certain see-through trusts) may take a distribution of the amount remaining in your account over the longer of your single life expectancy or the remaining life expectancy of the beneficiary of the trust. The trustee of the trust is responsible for determining whether the trust is a see-through trust, the trust beneficiary's options, and the minimum payment required for the year. No trust paperwork is required to be provided to the SIMPLE IRA trustee or custodian.

**No Designated Beneficiary.** If you die on or after your required beginning date and there is no designated beneficiary of your SIMPLE IRA, distributions will continue to the beneficiary using your single life expectancy in the year of your death, reduced by one in each subsequent year.

**Year of Death RMD.** If you die before satisfying the RMD amount for the year, to avoid a 25 percent excess accumulation penalty tax a beneficiary must remove the remaining year-of-death RMD no later than the tax-filing deadline (including extensions thereof) for the taxable year of that beneficiary that begins with or within that calendar year (or, if later, the last day of the calendar year following the year of your death).

- (c) **Special Rules for Spouse Beneficiaries.** A spouse who is the sole eligible designated beneficiary of your entire SIMPLE IRA will be deemed to elect to treat your SIMPLE IRA as his or her own by either (1) transferring it to a SIMPLE IRA in the spouse beneficiary's name, (2) making contributions to your SIMPLE IRA or (3) failing to timely remove an RMD, other than the year of death RMD, from your SIMPLE IRA. Regardless of whether the spouse is the sole eligible designated beneficiary of your IRA, a spouse beneficiary may roll over his or her share of the assets to his or her own SIMPLE IRA. If two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer, the spouse beneficiary may also roll over to his or her own Traditional IRA or eligible employer-sponsored retirement plan.

A spouse beneficiary will have all rights as granted under the Code or applicable Treasury Regulations to treat your SIMPLE IRA as his or her own.

If we so choose, for any reason (e.g., due to limitations of our charter or bylaws), we may require that a beneficiary of a deceased SIMPLE IRA owner take total distribution of all SIMPLE IRA assets by December 31 of the year following the year of death.

- K. **Missed RMD** – If you, or your beneficiary upon your death, fail to timely remove an RMD, an excess accumulation penalty tax of 25 percent is imposed on the amount of the RMD that should have been taken but was not. If the failure to take an RMD is corrected in a timely manner, the penalty tax is reduced to 10 percent. You or your beneficiary upon your death, must file IRS Form 5329 along with the income tax return to report and remit any additional taxes to the IRS.

The correction window for the reduced penalty begins on the date the penalty tax is imposed and ends the earlier of: (1) the date a notice of deficiency regarding the tax is mailed, (2) the date the tax is assessed, or (3) the last day of the second taxable year beginning after the year in which the tax is imposed.

- L. **Qualifying Longevity Annuity Contracts and RMDs** – A qualifying longevity annuity contract (QLAC) is a deferred annuity contract that, among other requirements, must guarantee lifetime income starting no later than age 85.

When calculating your RMD, you may reduce the prior year end account value by the value of QLACs that your SIMPLE IRA holds as investments.

For more information on QLACs, you may wish to refer to the IRS website at [www.irs.gov](http://www.irs.gov).

- M. **Waiver of 2020 RMD** – RMDs and life expectancy payments for beneficiaries were waived for calendar year 2020. If the five-year rule applies to a SIMPLE IRA with respect to any decedent, the five-year period is determined without regard to calendar year 2020 because of this waiver. For example, if a SIMPLE IRA owner died in 2019, the beneficiary's five-year period ends in 2025 instead of 2024.

## INCOME TAX CONSEQUENCES OF ESTABLISHING A SIMPLE IRA

- A. **Deductibility for SIMPLE IRA Contributions** – You may not take a deduction for the amounts contributed to your SIMPLE IRA as either employee elective deferrals or employer contributions. However, employee elective deferrals to a SIMPLE IRA will reduce your taxable income. Further, employer SIMPLE IRA contributions, including earnings, will not be taxable to you until you take a distribution from your SIMPLE IRA.

Participation in your employer's SIMPLE IRA plan renders you an active participant for purposes of determining whether or not you can deduct contributions to a Traditional IRA.

- B. **Contribution Deadline** – SIMPLE IRA deferral contributions must be deposited into the SIMPLE IRA as soon as administratively possible, but in no event later than 30 days following the month in which you would have otherwise received the money. Employer matching or nonelective contributions must be deposited no later than the due date for filing the employer's tax return, including extensions.

- C. **Tax Credit for Contributions** – You may be eligible to receive a tax credit for your SIMPLE IRA deferrals. This credit may not exceed \$1,000 in a given year. You may be eligible for this tax credit if you are

- age 18 or older as of the close of the taxable year,
- not a dependent of another taxpayer, and
- not a full-time student.

The credit is based upon your income (see chart below) and will range from 0 to 50 percent of eligible contributions. In order to determine the amount of your contributions, add all of the deferrals made to your SIMPLE IRA and reduce these contributions by any distributions that you may have taken during the testing period. The testing period begins two years prior to the year for which the credit is sought and ends on the tax return due date (including extensions) for the year for which the credit is sought. In order to determine your tax credit, multiply the applicable percentage from the chart below by the amount of your contributions that do not exceed \$2,000.

\*Adjusted gross income (AGI) includes foreign earned income and income from Guam, American Samoa, North Mariana Islands, and Puerto Rico. AGI limits are subject to cost-of-living adjustments each year.

- D. **Tax-Deferred Earnings** – The investment earnings of your SIMPLE IRA are not subject to federal income tax until distributions are made (or, in certain instances, when distributions are deemed to be made).

- E. **Excess Contributions** – If you defer more than the maximum allowable limit for the tax year, you have an excess deferral and must correct it. Excess deferrals, adjusted for earnings, must be distributed from your SIMPLE IRA.

If your employer mistakenly contributes too much to your SIMPLE IRA as an employer contribution, your employer may effect distribution of the employer excess amount, adjusted for earnings through the date of distribution. The amount distributed to the employer is not includible in your gross income.

- F. **Income Tax Withholding** – Ten percent federal income tax withholding will be applied to a withdrawal from your SIMPLE IRA unless you choose to withhold a different amount or elect not to have withholding apply. We are not required to withhold taxes from any distribution that we reasonably believe is not taxable.

- G. **Early Distribution Penalty Tax** – If you receive a SIMPLE IRA distribution before you attain age 59½, an additional early distribution penalty tax of 10 percent (25 percent if less than two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer) will apply to the taxable amount of the distribution unless one of the following exceptions apply. **1) Death.** After your death, payments made to your beneficiary are not subject to the 10 percent early distribution penalty tax. **2) Disability.** If you are disabled at the time of distribution, you are not subject to the additional 10 percent early distribution penalty tax. In order to be disabled, a physician must determine that your impairment can be expected to result in death or to be of long, continued, and indefinite duration. **3) Substantially equal periodic payments.** You are not subject to the additional 10 percent early distribution penalty tax if you are taking a series of substantially equal periodic payments (at least annual payments) over your life expectancy or the joint life expectancy of you and your beneficiary. You must continue these payments for the longer of five years or until you reach age 59½. **4) Unreimbursed medical expenses.** If you take payments to pay for unreimbursed medical expenses that exceed a specified percentage of your adjusted gross income, you will not be subject to the 10 percent early distribution penalty tax. For further detailed information and effective dates you may obtain IRS Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*, from the

IRS. The medical expenses may be for you, your spouse, or any dependent listed on your tax return. **5) Health insurance premiums.** If you are unemployed and have received unemployment compensation for 12 consecutive weeks under a federal or state program, you may take payments from your SIMPLE IRA to pay for health insurance premiums without incurring the 10 percent early distribution penalty tax. **6) Higher education expenses.** Payments taken for certain qualified higher education expenses for you, your spouse, or the children or grandchildren of you or your spouse, will not be subject to the 10 percent early distribution penalty tax. **7) First-time homebuyer.** You may take payments from your SIMPLE IRA to use toward qualified acquisition costs of buying or building a principal residence. The amount you may take for this reason may not exceed a lifetime maximum of \$10,000. The payment must be used for qualified acquisition costs within 120 days of receiving the distribution. **8) IRS levy.** Payments from your SIMPLE IRA made to the U.S. government in response to a federal tax levy are not subject to the 10 percent early distribution penalty tax. **9) Qualified reservist distributions.** If you are a qualified reservist member called to active duty for more than 179 days or an indefinite period, the payments you take from your SIMPLE IRA during the active-duty period are not subject to the 10 percent early distribution penalty tax. **10) Qualified birth or adoption.** Payments from your SIMPLE IRA for the birth of your child or the adoption of an eligible adoptee will not be subject to the 10 percent early distribution penalty tax if the distribution is taken during the one-year period beginning on the date of birth of your child or the date on which your legal adoption of an eligible adoptee is finalized. An eligible adoptee means any individual (other than your spouse's child) who has not attained age 18 or is physically or mentally incapable of self-support. The aggregate amount you may take for this reason may not exceed \$5,000 for each birth or adoption. **11) Terminal illness.** Payments from your SIMPLE IRA made because you are terminally ill are not subject to the 10 percent early distribution penalty tax. You are terminally ill if you have been certified by a physician, in accordance with documentation requirements to be established by the IRS, as having an illness or physical condition that can reasonably be expected to result in death in 84 months or less after the date of the certification. **12) Qualified disaster recovery distribution.** If you are an affected SIMPLE IRA owner in a federally declared disaster area who has sustained an economic loss by reason of such qualified disaster, you may take up to \$22,000 per disaster from your SIMPLE IRA without incurring the 10 percent early distribution penalty tax. **13) Domestic abuse.** If you are a victim of domestic abuse you may withdraw up to \$10,000 (subject to possible cost-of-living adjustments each year beginning in 2025) or 50% of your SIMPLE IRA balance, whichever is less, within one year of the abuse without incurring the 10 percent early distribution penalty tax. **14) Emergency personal expenses.** You may take one withdrawal in a calendar year as an emergency personal expense distribution for purposes of meeting unforeseeable or immediate financial needs relating to necessary personal or family emergency expenses, without incurring the 10 percent early distribution penalty tax. The amount that may be treated as an emergency personal expense distribution in any calendar year is \$1,000 or the total balance in your SIMPLE IRA over \$1,000, determined as of the date of each such distribution, whichever is less. No further emergency personal expense distributions are allowed during the immediately following three calendar years unless repayment occurs, or you have made SIMPLE IRA contributions after the previous distribution in an amount at least equal to the previous distribution that has not been repaid.

You must file IRS Form 5329 along with your income tax return to the IRS to report and remit any additional taxes or to claim a penalty tax exception.

**H. SIMPLE IRA Portability** – Your SIMPLE IRA may be transferred to another SIMPLE IRA or Traditional IRA of yours, rolled over to another SIMPLE IRA, Traditional IRA, or an eligible employer-sponsored retirement plan of yours, may receive transfer or rollover contributions, or may be converted to a Roth IRA, provided that all of the applicable rules are followed. Rollover is a term used to describe a movement of cash or other property to your SIMPLE IRA from another SIMPLE IRA, Traditional IRA, or from your employer's qualified retirement plan, 403(a) annuity plan, 403(b) tax-sheltered annuity, or 457(b) eligible governmental deferred compensation plan provided a two-year period has been satisfied. The amount rolled over is not subject to taxation or the additional 10 percent early distribution penalty tax. Conversion is a term used to describe the movement of SIMPLE IRA assets to a Roth IRA. A conversion generally is a taxable event. The general portability rules are summarized below. These transactions are often complex. If you have any questions regarding a transfer, rollover, or conversion, please see a competent tax advisor.

1. **SIMPLE IRA-to-SIMPLE IRA Transfers.** You may transfer your SIMPLE IRA to another SIMPLE IRA at any time with no limits on the number of transfers that may be completed in a 12-month period. A transfer is the movement of assets directly from one SIMPLE IRA to another and is not subject to taxation or the early distribution penalty tax. You may not transfer a SIMPLE IRA to a Roth IRA.
2. **SIMPLE IRA-to-SIMPLE IRA Rollovers.** Assets distributed from your SIMPLE IRA may be rolled over to a SIMPLE IRA of yours if the requirements of IRC Sec. 408(d)(3) are met.
3. **Traditional IRA-to-SIMPLE IRA Rollovers and Transfers.** Assets from your Traditional IRA may be rolled over or transferred to a SIMPLE IRA if the requirements of IRC Sec. 408(d)(3) are met and two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer.
4. **SIMPLE IRA-to-Traditional IRA Rollovers and Transfers.** Assets from your SIMPLE IRA may be rolled over or transferred to a Traditional IRA provided two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer.
5. **IRA-to-IRA Rollover Restrictions.** A distribution that is payable to you and is eligible to be rolled over from any IRA must be rolled over within 60 days after the distribution is received. In the case of a distribution for a first-time homebuyer where there was a delay or cancellation of the purchase, the 60-day rollover period may be extended to 120 days.

Only one distribution from any IRA (Traditional, Roth, or SIMPLE) may be rolled over to another IRA in a 12-month period, regardless of the number of IRAs you own. A distribution may be rolled over to the same IRA or to another IRA that is eligible to receive the rollover.

If you are required to take an RMD for the year, you must remove all of your RMDs for the year for all of your IRAs before rolling over a distribution from any Traditional or SIMPLE IRA. The first distribution taken from your IRA will go toward satisfying your RMD and may not be rolled over.

For more information on rollover limitations, you may obtain IRS Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*, from the IRS or refer to the IRS website at [www.irs.gov](http://www.irs.gov).

6. **Employer-Sponsored Retirement Plan-to-SIMPLE IRA Rollovers.** You may roll over, directly or indirectly, any eligible rollover distribution from an eligible employer-sponsored retirement plan to a SIMPLE IRA provided two years have passed since you first participated in the SIMPLE IRA plan sponsored by your employer. An eligible rollover distribution is defined generally as any

distribution from a qualified retirement plan, 403(a) annuity, 403(b) tax-sheltered annuity, 457(b) eligible governmental deferred compensation plan, or federal Thrift Savings Plan unless it is a required minimum distribution, hardship distribution, part of a certain series of substantially equal periodic payments, corrective distributions of excess contributions, excess deferrals, excess annual additions and any income allocable to the excess, deemed loan distribution, dividends on employer securities, the cost of life insurance coverage, or a distribution of designated Roth account assets from a 401(k), 403(b), governmental 457(b), or federal Thrift Savings Plan.

If you elect to receive your rollover distribution prior to placing it in a SIMPLE IRA, thereby conducting an indirect rollover, your plan administrator generally will be required to withhold 20 percent of your distribution as a payment of income taxes. When completing the rollover, you may make up out of pocket the amount withheld and roll over the full amount distributed from your employer-sponsored retirement plan. To qualify as a rollover, your eligible rollover distribution generally must be rolled over to your SIMPLE IRA not later than 60 days after you receive the distribution. In the case of a plan loan offset due to plan termination or severance from employment, the deadline for completing the rollover is your tax return due date (including extensions) for the year in which the offset occurs. Alternatively, you may claim the withheld amount as income, and pay the applicable income tax and, if you are under age 59½, the 10 percent early distribution penalty tax (unless an exception to the penalty applies).

As an alternative to the indirect rollover, your employer generally must give you the option to directly roll over your employer-sponsored retirement plan balance to a SIMPLE IRA. If you elect the direct rollover option, your eligible rollover distribution will be paid directly to the SIMPLE IRA (or other eligible employer-sponsored retirement plan) that you designate. The 20 percent withholding requirements do not apply to direct rollovers.

#### 7. **SIMPLE IRA-to-Employer-Sponsored Retirement Plan Rollovers.**

You may roll over, directly or indirectly, any eligible rollover distribution from a SIMPLE IRA to an employer's qualified retirement plan, 403(a) annuity, 403(b) tax-sheltered annuity, or 457(b) eligible governmental deferred compensation plan, provided two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer. The employer-sponsored retirement plan, however, must allow for such rollover contributions.

#### 8. **SIMPLE IRA-to-Roth IRA Conversions.**

You are eligible to convert all or any portion of your existing SIMPLE IRA(s) into your Roth IRA(s), provided two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer. If you convert to a Roth IRA, the amount of the conversion from your SIMPLE IRA to your Roth IRA will be treated as a distribution for income tax purposes and is includible in your gross income. Although the conversion amount generally is included in income, the 10 percent early distribution penalty tax will not apply to conversions from a SIMPLE IRA to a Roth IRA, regardless of whether you qualify for any exceptions to the 10 percent early distribution penalty tax. If you are required to take an RMD for the year, you must remove all of your RMDs for all of your IRAs before converting your SIMPLE IRA.

#### 9. **Rollover of IRS Levy.**

If you receive a refund of eligible retirement plan assets that had been wrongfully levied, you may roll over the amount returned up until your tax return due date (not including extensions) for the year in which the money was returned.

#### 10. **Written Election.**

At the time you make a rollover to a SIMPLE IRA, you must designate in writing to the custodian your election to treat that contribution as a rollover. Once made, the rollover election is irrevocable.

### I. **Repayments of Certain Distributions.**

1. **Qualified Birth or Adoption Distributions.** If you have taken a qualified birth or adoption distribution, you may generally pay all or a portion of the aggregate amount of such distribution to a SIMPLE IRA at any time during the three-year period beginning on the day after the date on which such distribution was received. In the case of a qualified birth or adoption distribution made on or before December 29, 2022, the deadline to repay the distribution is December 31, 2025.
2. **Terminal Illness Distributions.** If you have taken a distribution due to a terminal illness, you may generally pay all or a portion of the aggregate amount of such distribution to a SIMPLE IRA at any time during the three-year period beginning on the day after the date on which such distribution was received.
3. **Domestic Abuse Distributions.** If you have taken a distribution because you are a victim of domestic abuse, you may generally pay all or a portion of the aggregate amount of such distribution to a SIMPLE IRA at any time during the three-year period beginning on the day after the date on which such distribution was received.
4. **Emergency Personal Expense Distributions.** If you had taken an emergency personal expense distribution, the distribution may be repaid within a three-year period. No further emergency personal expense distributions are allowed during the immediately following three calendar years unless repayment occurs, or you have made SIMPLE IRA contributions after the previous distribution in an amount at least equal to the previous distribution that has not been repaid.
5. **Qualified Disaster Recovery Distributions.** If you have taken a qualified disaster recovery distribution, the distribution may be recontributed to a SIMPLE IRA at any time during the three-year period beginning on the day after the date on which such distribution was received.

For further information, you may wish to obtain IRS Publication 590-A, *Contributions to Individual Retirement Arrangements (IRAs)*, or refer to the IRS website at [www.irs.gov](http://www.irs.gov).

- J. **Recharacterizations** – You may not recharacterize a Roth IRA conversion back to a SIMPLE IRA.

### **LIMITATIONS AND RESTRICTIONS**

- A. **Deduction of Rollovers and Transfers** – A deduction is not allowed for rollover or transfer contributions.
- B. **Gift Tax** – Transfers of your SIMPLE IRA assets to a beneficiary made during your life and at your request may be subject to federal gift tax under IRC Sec. 2501.
- C. **Special Tax Treatment** – Capital gains treatment and 10-year income averaging authorized by IRC Sec. 402 do not apply to SIMPLE IRA distributions.
- D. **Prohibited Transactions** – If you or your beneficiary engage in a prohibited transaction with your SIMPLE IRA, as described in IRC Sec. 4975, your SIMPLE IRA will lose its tax-deferred status, and you must include the value of your account in your gross income for the taxable year you engage in the prohibited transaction. The following transactions are examples of prohibited transactions with your SIMPLE IRA. (1) Taking a loan from your SIMPLE IRA (2) Buying property for personal use (present or future) with SIMPLE IRA assets (3) Receiving certain bonuses or premiums because of your SIMPLE IRA.
- E. **Pledging** – If you pledge any portion of your SIMPLE IRA as collateral for a loan, the amount so pledged will be treated as a distribution and will be included in your gross income for that year.

## OTHER

- A. **IRS Plan Approval** – Articles I through VII of the agreement used to establish this SIMPLE IRA have been approved by the IRS. The IRS approval is a determination only as to form. It is not an endorsement of the plan in operation or of the investments offered.
- B. **Additional Information** – For further information on SIMPLE IRAs, you may wish to obtain IRS Publication 590-A, *Contributions to Individual Retirement Arrangements (IRAs)*, or Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*, by calling 800-TAX-FORM, or by visiting [www.irs.gov](http://www.irs.gov) on the Internet.
- C. **Important Information About Procedures for Opening a New Account** – To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial organizations to obtain, verify, and record information that identifies each person who opens an account. Therefore, when you open a SIMPLE IRA, you are required to provide your name, residential address, date of birth, and identification number. We may require other information that will allow us to identify you.
- D. **Qualified Reservist Distributions** – If you are an eligible qualified reservist who has taken penalty-free qualified reservist distributions from your SIMPLE IRA or retirement plan, you may recontribute those amounts to an IRA generally within a two-year period from your date of return.
- E. **Disaster Related Relief** – If you qualify (for example, you sustained an economic loss due to, or are otherwise considered affected by, a federally-declared disaster in a specified disaster area), you may be eligible for favorable tax treatment on distributions, rollovers, and other transactions involving your SIMPLE IRA. Qualified disaster relief includes an automatic 60-day extension to perform certain acts and may include penalty-tax free early distributions made during specified timeframes for each disaster, the ability to include distributions in your gross income ratably over multiple years, the ability to roll over distributions to an eligible retirement plan without regard to the 60-day rollover rule, and more.

**Qualified Disaster Recovery Distributions.** If your principal residence is located in a qualified disaster area and you have sustained an economic loss by reason of such disaster, you may receive up to \$22,000 per disaster in aggregate distributions from your retirement plans and IRAs as qualified disaster recovery distributions. A qualified disaster is any major disaster declared by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act after January 26, 2021. These distributions are not subject to the 10 percent early distribution penalty tax. In addition, unless you elect otherwise, any amount required to be included in your gross income for such taxable year shall be included ratably over a three-taxable year period, beginning with the taxable year of the distribution. Qualified disaster recovery distributions may be repaid at any time generally within a three-year period beginning on the day after the date the distribution was received.

**Repayments of Withdrawals for Home Purchase.** If you received a qualified first-time homebuyer distribution to purchase or construct a principal residence in the qualified disaster area, but which was not used on account of the qualified disaster, you are able to repay the distribution within 180 days of the applicable date of such disaster. The distribution must have been received during the period (1) beginning 180 days before the first day of the FEMA declared incident period, and (2) ending 30 days after the last day of the FEMA declared incident period.

For additional information on specific disasters, including a complete listing of disaster areas, qualification requirements for relief, and allowable disaster-related SIMPLE IRA transactions, you may wish to obtain IRS Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*, from the IRS or refer to the IRS website at [www.irs.gov](http://www.irs.gov).
